June 23, 2009

To: Central Valley Flood Protection Board Agenda Recipients

Subject: **June 26, 2009 Bear Creek Levee Tour Postponed**

The Central Valley Flood Protection Board Tour for the Stockton Area Bear Creek Levee has been postponed. This tour was originally scheduled for Friday June 26, 2009 at 9:00 AM. An alternative day for this tour is being scheduled. You will be informed as soon as a new date has been confirmed.

The tour is postponed due to additional work required to locate and retrace the upstream survey monuments used to establish the 1963 Bear Creek Levee Easement. This easement line runs parallel to Bear Creek and is located between the levee and single family homes. Staking out this easement is required to ascertain the location of this legal boundary in relation to the levee.

If you have any questions or need additional information, please contact the Staff Analyst Lorraine Pendlebury at lpendleb@water.ca.gov or by calling 1-916-574-0609. Thank you for your cooperation.

Sincerely,

Jay S. Punia
Executive Officer
